

## FLAT YUCKY DUCKY!

The Yucky Ducky Army may have taken Greenville by storm, but now they're ready to clean up the world! Help Flat Yucky Ducky achieve his dreams by sending him on adventures with you, your family, and your friends!

1. Cut out and color your Flat Yucky Ducky! Model him after one of the Ducky Army ducks or color your own new duck!
2. Take him with you on your journeys, send him with friends and family who are traveling, or mail him to friends and family who live and travel outside of Greenville!
3. Take lots of pictures with Flat Yucky! Email your pictures to [contest@yuckyducky.com](mailto:contest@yuckyducky.com) with the subject line "Flat Yucky Ducky". We'd love if you'd include a short sentence telling us about your picture and where it was taken!

We'll pick new winning pictures each month! Winners will receive a fun prize! There are three categories for photos:

1. Best Stormwater Pollution-Related
2. Farthest from Greenville
3. Most Unique
