One-on-one consultations available with USDA staff

US Department of Agriculture representatives will share information to help improve your farm. Experts will be available for financial assistance programs; conservation programs; farm loan programs; crop insurance; disaster programs; marketing; vegetable production; pest management; cattle and hay operations; high tunnels (hoop houses); erosion control; irrigation systems; fencing; and more.

On Tuesday, August 21st farmers can participate in the construction of a high tunnel system built from the ground up.
